Whilst out exploring, don't forget to look out for our smallest creatures. You could search under logs, on tree trunks, in leaf litter or in the long grass. Please put the minibeasts and logs back where you found them!

Which of these minibeasts can you find?

Ladybird

Snail

Centipede

Ground Beetle

Grasshopper

Woodlouse

Can you find anything else?

If you love being a Nature Detective and enjoy spending time outdoors looking for bugs and other beasties then why not join the Rangers in the school holidays and go 'Nuts about Nature'!
